TOUR SUMMARY

These gentle giants of the sea give birth in the tropical waters of Ha'apai to ensure the safety of their new born calves. You will be witness to the bond between mother and calf and the unique behaviour that can only be experienced by observing these amazing creatures in their natural environment. Your day is filled with excitement and admiration only stopping to explore the coral gardens and abundant marine life that inhabits Tonga.

We usually spend around 7 hours on the water looking for and snorkelling with the whales, then additional time afterwards for visiting some other scenic snorkel spots.

Our Ha'apai tours are ideal for families, and those who like a relaxing tropical holiday.

DAILY ITINERARY

“TONGA TIME”

The schedule above is a guide and things change often when you are on an Island in Tonga. The locals are on what we call 'Tonga Time', so don't be disappointed if the skipper is late, or your meals are not served on time, or you don't get exactly what you ask for, just relax and enjoy this tropical paradise.

ACTIVITIES

We try to visit some of the most amazing snorkelling spots in Tonga as we search for the whales, including untouched coral reefs and lagoons.

But if you haven't had enough after your days on the water there are always lots of other adventures:

- Scuba Diving
- Deep sea Fishing
- Sailing
- Land tours
- Kayaking
- Paddle Boards

CHECKLIST

- Make sure your **passport** has at least 6 months left on it before coming to Tonga otherwise you may be turned back. Also check if there are any Visa requirements for your country of origin.
- Send me your **international and local flight details**. If you haven't booked these yet, now is the time to check your flights and connections to Tonga and make sure you have confirmed your domestic flights to Vava'u.
- It is very important that you have **travel insurance** as Tonga is a place where many things change that can affect your travel arrangements. Travel insurance will cover you for loss of baggage and changes to flights outside your control as well as possible tour cancellations.
- Keep **electronic versions** of your documentation on your phone, laptop, devices or even online so you can access them if needed. But **print your tickets** for Tonga as a backup.
- Do you need to book **accommodation on the main Island** (Tongatapu) while in transit to Ha'apai? Also if you are on a flight that arrives at 2am in the morning and you have an early flight the next morning, I suggest you stay in the Foyer at the Scenic hotel. They charge you \$20 but it is a lot more comfortable than the airport. Let me know if you need assistance.
- We recommend a **wetsuit** for exposure protection during our days on the water. This will protect you from the sun as well as keep you warm during and in between swims. We can provide you with **wetsuit/mask/snorkel/fins** onboard if you don't have your own.
- Check your itinerary (above) so you know what we plan to do each day.

CHECKLIST

- Be aware that **Sunday's are a day of rest** in Tonga, so nothing is open. Some restaurants are open in the evenings.
- Send me your **dietary requirements** for lunches on the boat each day if you haven't already.
- Do you need advice about purchasing **cameras, lenses, equipment** etc (we can also provide a list of hire places e.g. www.camerahire.com.au)
- Are you looking to go **diving, deep sea fishing, kayaking** or partake in any other activities on your leisure days or before and after your tours?
- Download some **useful Apps** to help you on your travels: Air NZ, Sydney Airport, Google translate, Tripit, Google Maps, Maps.me
- If you plan to make phone calls from Tonga to home I suggest you purchase a **SIM card** in these places with data, as it works out a lot cheaper than using a roaming service from home. Note: internet speeds are very slow.
- Have you signed the **liability waiver** and sent this back to us?
- Bring **sea sick tablets** if you feel motion sickness.
- Bring a spray jacket or **wind proof jacket** on the boat with you, as it can get cold when you are in and out of the water a lot.
- Air temperature is about 25 - 28 degrees Celsius and the water temperature is about 26 degrees Celsius, so pack light clothes, bathing suits, shorts, T-shirts etc
- Check our **FAQ's** for any questions you may need answered:

At Swimming with Gentle Giants we think it is a privilege to snorkel with these amazing creatures and understand they are wild animals that deserve our respect. We are visitors in their environment and our encounters are often determined by the whales.
