2025 TONGA TOURS - TOUR 3 HUMPBACKS AT PLAY 6 – 16 AUGUST 2025 10 NIGHTS (7 DAYS IN THE WATER WITH THE WHALES)

TOUR SUMMARY

Boisterous males, nurturing females and energetic calves are abundant as the waters fill with playful behaviour and large groups of whales visiting this island paradise.

We embark at around 7:00am every day from your accommodation for a day of swimming with the whales and snorkelling the pristine coral reefs, stopping only for lunch and to admire this marine haven.

FYI

"TONGA TIME"

The schedule above is a guide and things change often when you are on an island in Tonga. The locals are on what we call 'Tonga Time' and everything is a bit more relaxed. So if the skipper is a little late, your meals sometimes longer or you don't get exactly what you were expecting, take a tip from the locals and just relax and enjoy this tropical paradise.

DAY OF REST - SUNDAYS

Be aware that Sundays are a day of rest in Tonga, so nothing will be open during the day although some restaurants are open in the evenings.

TEMPERATURE

Air temperature is about 25 - 28 degrees Celsius and the water temperature is about 26 degrees Celsius, so pack light clothes, bathing suits, shorts, T-shirts etc.

ACTIVITIVES

We try to visit some of the most amazing snorkelling spots in Tonga as we search for the whales, including untouched coral reefs, caves and lagoons.

But if you haven't had enough after your days on the water there are always lots of other adventures:

Scuba Diving

Sailing

Kayaking

Snorkelling

Land Tours

Hiring a Car

If you looking to partake in any of these activities on your leisure days or before/after your tour, now is the time to start researching, checking availability and booking.

CHECKLIST

- □ Have you signed the **liability waiver** and sent this back?
- Make sure your passport has at least 6 months left on it before coming to Tonga otherwise you may be turned back. Also check if there are any Visa requirements for your country of origin
- Send through your international and local flight details. If you haven't booked these yet, now is the time to check your flights and connections to Tonga and make sure you have confirmed your domestic flights to Vava'u
- It is very important that you have travel insurance as Tonga is a place where many things change that can affect your travel arrangements. Travel insurance will cover you for loss of baggage and changes to flights outside of your control as well as possible tour cancellations
- Keep electronic versions of your documentation on your phone, laptop, devices or even online so you can access them if needed. But print your tickets for Tonga as a backup
- Have you booked your accommodation in Vava'u before and after your tour? If so please send details of where you are staying and when you will be checking in and out. Check your tour package to see what dates accommodation is included for your tour <u>http://swimmingwithgentlegiants.com/tour-dates-prices/</u>
- If you plan to make phone calls home, it is suggested that you purchase a SIM card in Tonga with data, as it works out a lot cheaper than using a roaming service from home. SWGG can provide a Sim card upon request. Please Note: internet speeds are very slow in Tonga and service can go down for hours or even days
- Send us your **dietary requirements** for lunches on the boat each day if you haven't already

CHECKLIST

Do you need advice about purchasing cameras, lenses, equipment etc? (SWGG can provide a list of service providers if you wish to hire these items e.g. www.camerahire.com.au)

Swimming with

GENTLE

- Bring seasick tablets if you feel motion sickness
- Have you got a wetsuit? (or wetsuit/sharkskin top if you prefer) This is for buoyancy and warmth. For your comfort, we recommend having your own mask, snorkel & fins. SWGG can provide these if needed, please advise if required
- Bring a spray jacket or wind proof jacket on the boat with you, as it can get cold when you are in and out of the water a lot
- □ Some **useful Apps** to download before you travel:
- Google Translate selected languages, voice and text translation capabilities
- Google Maps Location and Offline Maps
- Airline Apps for information and entertainment (Qantas Airways / Qantas Entertainment, Emirates, LATAM Airlines, Air NZ etc)
- Flighty or Airport specific apps (Sydney Airport Information) for flight tracking
- **Tripit** for organising your itinerary
- Planet VPN (FreeVPN Proxy) allows internet access across networks
- Airalo for eSIM cards (200+ countries)
- Xe Currency converter and money transfers
- Windy.com Weather prediction app
- Merlin Bird Id by Cornell Lab for identifying birds (download location specific pack within the app)
- iNaturalist & Seek by iNaturalist general wildlife and plant ID and citizen scientist database
- Check our FAQ's for any additional questions you may need answered: http://swimmingwithgentlegiants.com/faqs/

At Swimming with Gentle Giants we think it is a privilege to snorkel with these amazing creatures and understand that they are wild animals that deserve our respect.

We are visitors in their environment and our encounters are often determined by the whales.
